# DEVASTED SAN FRANCISCO!

## Another Vivid Description of the Most Terrible Disaster of the Centuries

in his characteristic way the ruined city of San enumeration of the dead-will never be made. Francisco. He begins with the statement that All vestiges of them were destroyed by the there is no estimating within hundreds of mil- flames. The number of the victims of the earthlions the actual damage wrought-that by the quake will never be known. earthquake itself was not great, but that by the conflagration that followed was incalculable. was particularly heavy, was the first to catch fire. Not in history has a modern imperial city been so completely destroyed. San Francisco is gone. Nothing remains of it but memories and a fringe of dwelling houses on its outskirts. Its indus- There was no shouting and yelling. There was trial section is wiped out. Its business section no hysteria, no disorder. I passed Wednesday is wiped out. Its social and residential section night in the path of the advancing flames, and is wiped out. The factories and warehouses, in all those terrible hours I saw not one woman the great stores and newspaper buildings; the who wept, not one man who was excited, not hotels and the palaces of the nabobs, are all one person who was in the slightest degree gone. Remains only the fringe of dwelling panic-stricken. houses on the outskirts of what was once San Francisco.

made an enormous suck. Thus did the fire of the atmosphere. Day and night this dead calm continued, and yet near the flames the wind was often half a gale, so mighty was the suck. Dynamite was lavishly used, and many of San Francisco's proudest structures were crumbled withstanding the onrush of the flames. Time and again successful stands were made by the fourth side had been burned earlier in the day. don't cuss the town in which you live. Rememfire-fighters, and every time the flames flanked In that direction stood the tottering walls of ber you are part and parcel of it. around on either side, or came up from the rear and turned to defeat the hard-won victory.

An enumeration of the buildings destroyed Hotel, and the gutted, devastated, dynamited would be a directory of San Francisco. An Palace Hotel. enumeration of the buildings undestroyed would of the deeds of heroism would stock a library With me sat Japanese, Italians, Chinese and Tea or Tablets.

can certainly do it with Ayer's Hair Vigor. It feeds the hair, gives it strength,

keeps the hair soft and glossy. Try it and be happy!

Negroes-a bit of the cosmopolitan flotsam of the wreck of the city. All about were the palaces of the nabob pioneers of Forty-nine. To the East and South at right angles were advancing two mighty walls of flame. I went inside with the owner of the house on the steps of which I sat. He was cool and cheerful and hospitable. "Yesterday morning," he said, "I was worth \$600,000. This morning this house is all I have left. It will go in fifteen minutes." And it did.

San Francisco, at the present time, is like the crater of a volcano, around which are camped

WHAT "KNOCKING" DOES!

Foolishness in Throwing Rocks at Your Own House

Did you ever stop and think what a galoot you are whenever you cuss your town?

If you did, you would never say one word

Whenever you say anything mean about the town in which you live, you are throwing rocks Later developments only showed how all-em- at close range at your own residence, and some bracing the disaster had been. There was no of them are liable to bounce back and hit you dry. There was no dynamite. Another fire had it is the man who praises his town that is the sides conflagrations were sweeping down. The the great enterprise. Whatsoever you doeth,
